Dear Parent(s)

### Speech and Language Therapy Update:

In recent weeks, we have been in conversation with Ms. Lindsay Smith, a Speech-Language Therapist (recommended by a member of the school community), who has expressed interest in supporting our students at school.

While the school is not able to provide Speech-Language Therapy, we are able to provide a space and time for a therapist to meet with students and have our EA, Mrs. Gensorek, continue with the programming that the Speech-Language Pathologist puts in place.

Ms. Lindsay Smith (*Speech Pathology and Orofacial Myofunctional Therapy*, <https://www.spotspeech.com/>) would be responsible for providing direct and indirect therapy services, screening, assessment, and, as needed, can assist with communication goals for IEPs (Individual Education Plan). She can work closely with teachers, parents, EA's and other professionals to develop and implement intervention plans that address the unique communication needs of each student.

If this is something that would be of interest to you, please connect with Ms. Smith via her website <https://www.spotspeech.com/contact-us/> and let her know that you are a Calvin Christian School Elementary family. Ms. Smith will connect with the school to arrange days/times to meet with students. The cost of Ms. Smith's services will be up to families (please see her fee schedule attached).

If you have any questions regarding SLP services or have decided to move forward with using Ms. Smith's services please let me know.

Kind regards,

Mrs. Kroese
